SOUTHERN APPLE HARD CIDER 12OZ BOTTLES 6 PACK

**PACKAGE STYLES: 6PK 12.OZ BOTTLES & 4PK 16.OZ CANS**  
**ABV: 5.0%**

There are myths about the wide spread southern orchards planted across the Appalachian Mountains. The aged wisdom blends in with the orchards, but once you take a bite from the Apple, there is no turning back. Southern Apple is a classic-semi dry cider that brings you that fresh picked experience like you're coming right off of the orchard. Crisp, bubbly, dry and crafted to be incredibly refreshing, our Southern Apple Cider is enjoyed in all seasons.
